My dear Sir, Mr. Choksi has also been given Rs 100 more than a 1st C. Civil Surgeon, such a house rent up to 100 Rs a month to him. I think not be a good precedent. Dr Benson was talking to me a giving to Mysore Jail and Ch Examiners allowances to Ay Ammyar, when I told him

My dear Sir,

Under the [illegible] we may allow the same Dr. Chokse

Dr. Chelty.

wd. not be fair to give him more than his services.

Instead of the proposed increase - rent, I think, it wd. be well to appoint Dr. Chokki Chemical Examiner, and give him the allowance of Rs 100 during Dr. Mann's service suspency, leaving Govt. power to employ a house if, until Dr. Ramsay's visits the Mt. Deserters or receives his patrimony

With best regards

Yours sincerely

Surgeon Lt. Abdul Rahiman,

The Scale of pay for Vaccinal Civil Surgeons is not over liberal - I believe we are both agreed that Dr. Chokkin did not suffer by the change - The method you propose of giving the Chemical Examinership wd. perhaps prevent Dr. Chokkin losing, but, if we retain Dr. Chokkin as Chemical Exam., we want a laboratory at Bangalore - and when the Civil Surgeoncy of Mysore is permanently appointed, we may have to give the Chem. Examinership to him.

See if you can think of some better way - Dr. Ramanna's Residence so near Maternity & Hospital is of benefit to them in his duties

Yours sincerely

Enclose herewith two letters for Dr Chuckerbutty regarding quarters for him. When he takes up the appointment of Civil Surgeon, I shall feel much obliged if you will kindly place them before the Dewan for his orders on the subject. Of course as Dr Chuckerbutty is going to be Civil Surgeon of Bangalore with charge of the City Hospital & Maternity it would really be better that he should have the house now occupied by Mr Ramaswamy Iyengar - It may be a somewhat hard on that officer to have to vacate it after all he has done but the latter is fortunate in getting a house in Sanchy Tank for Rs 60 - 100 Rs a month - house

My dear sir

Thanks for your note. I wrote to you about the house as you desired me the other day to find a house and then to let you know about it. I am quite ready to occupy Dr. Ramaswamy's house if certain necessary improvements are made to it. Mayhe they that some defin

My dear Sir

It is not possible to get a house any where near the hospital at this I have made Every Enquiry about it. There is one house on Cunningham road - High ground. Lately occupied by Mr Moss of the Madras Railway - available at Rs 100/. and this I think

of Engaging. Mrs Hues hurriedly having moved to Sumbajay. I have to give a definite reply to the Landlord by tomorrow & hence I write this to enquire if you have any objection but it is no doubt at considerable distance from my places of work. But so far I do not see any help for it - I understand it is in contemplation to build quarters for the Civil Surgeon on the site of the new Hospl. near the fort - but this must take a long time yet In the meantime I hope you will recommend me to the rent I am to pay.

Yours Sincerely

Order.

As Surgeon of the Bangalore Central Jail Mr Chokai has been drawing a pay of Rs 600 in addition to free quarters. The appointment of Mr Sharkey as Surgeon of the Central Jail will necessitate Mr Chokai vacating the Govt building which he has so long occupied free in that capacity & the Civil Surgeon will have to provide a residence for himself & family at his own expense. The Civil Surgeon's present residence belongs to the hospital & cannot be occupied by Mr Sharkey & his family. It is not only not immediately available but is also too small for a Civil Surgeon's residence. It was never intended that Mr Chokai should suffer by his transfer from the post of Surgeon of the Central Jail to that of Civil Surgeon Bangalore - Under the circumstances
